## Who We Are ...

Celebrating over 50 years of commitment, Inland Valley Hope Partners serves over 75,000 men, women and children each year through "Our House" family residential shelter; and Rapid Re-Housing; BETA, SOVA, Claremont, San Dimas and South Pomona food pantries; and the Pomona Farmers' Market throughout 13 communities including Chino, Chino Hills, Claremont, Diamond Bar, La Verne, Montclair, Mt. Baldy, Ontario, Pomona, Rancho Cucamonga, San Dimas, Upland, and Walnut. The shelter houses five families for up to 90 days. The food pantries distribute five days worth of food per person to no and low income families. Clients may come once every 30 days. The Farmers Market operates every Saturday morning and accepts WIC and EBT cards. Begun in 1968 as the Pomona Council of Churches, today the non-profit is a collaboration of faith communities, businesses, community groups, and individuals who care about their neighbors.

### Blessings .....

This month officially ends our partnership with the State of California and County of San Bernardino to provide services to families and individuals experiencing or at-risk of homelessness through the Homeless Emergency Aid Program (HEAP). This monumental state program was established to provide localities with flexible block grant funds to address their immediate homelessness challenges. Hope Partners received funding to provide homeless prevention services, bridge housing, and expand our rapid re-housing assistance in San Bernardino County.

The HEAP Program did have some unexpected challenges county and state-wide, and the administrative burdens were trying at times. But, as I reflect on just how many families and individuals this one-time funding allowed us to help over the last year and a half, we cannot deny the funding's life-changing impact. All told, we worked with some **89 households** through the HEAP program. It broke down as follows:

**50 families** were able to remain in their homes and avoid homelessness through rental assistance.

**15 families** were assisted with rapid re-housing assistance to help them move from homelessness to safe and stable housing.

**24 families** were provided bridge housing through motel vouchers or a brief stay in the *Our House* Family Shelter as they searched for permanent housing.

While the numbers of people served from just this one source of funding paints a wonderful picture, even more rewarding are the individual families and stories they represent. I think about Tiffany and Steven\* who we met living with their toddler in a hotel in Montclair. HEAP funding helped put a roof over their heads while they secured employment and then assisted them in moving into an apartment where the three of them have really grown and begun to thrive. Or Emily\*, a single-mother of seven children, who was behind on her rent and needed our help to keep them safe in housing and avoid eviction. Just a few months ago her family came by to let us know how well they are doing and how much they appreciated our assistance.

HEAP funding enabled 87 other families to experience similar stories of hope over the past few years. We are so thankful for the partnerships that allow us to play such an important role in the lives of so many people in need in our community.

Blessings!

## Our Community Is Amazing

We are so blessed to have incredible community partners who are always so eager to support Inland Valley Hope Partners' work and those that we serve.

Thank you to the **Life Bible Fellowship Church** volunteers for spending the day beautifying Sova Center on May 1st. Volunteers of the church pulled weeds, cleaned the yard and spread out landscaping rocks.

Another big donor, **Tyson Foods**, recently donated 40 cases of chicken to our pantries. Tyson Foods has been contributing to Hope Partners almost monthly for over five years now. Without partners like Tyson Foods, Hope Partners would not be able to supply our clients with the nutritional items needed.

Thank you for your support during these challenging times! We are all in this TOGETHER!

## Hope Partners Success Story

In 2019, LaToya\* found herself pregnant, homeless, and living out of her car after leaving an abusive relationship. While saving for an apartment, LaToya got into a car accident on her job as a food delivery driver resulting in her having to use that money to fix her car. The series of unfortunate events

prolonged her homelessness; LaToya continued working to save money for a new apartment before giving birth but could not make enough. She contacted 211, and they connected her to Hope Partners for our HEAP Rapid Re-housing assistance. Our case manager, Kevin, began working with LaToya to find employment and secure housing. Kevin worked with her for months and was successful in finding her a permanent home. Today, LaToya is working as a bus driver in San Bernardino County, taking care of her now 2-year-old daughter and enjoying life. Inland Valley Hope Partners wishes LaToya and her daughter all the best in their journey.
