

A Constantine Garden Thank You: A New Chapter Begins

The property on which the Constantine Family Garden and Orchard was situated has been sold, so garden manager Tim

Constantine will continue to grow vegetables for Hope Partners on land generously donated to Inland Valley Hope Partners by Randy Bekendam, owner and operator of Amy's Farm in Ontario. The ten-acre working farm is a non-profit organization with ten years of service to the community. It produces a variety of organic fruits, vegetables, and meats, many of which are sold at its on-site farm store. Amy's Farm is a frequent destination for field trips, and offers engaging programs for children.

The Constantine Family thanks the many volunteers who gave so generously of their time and talent to the garden in San Dimas. During our four years of operation, 785 volunteers donated 2,935 hours of service. Because of that, we were able to harvest a total of 15,721 pounds of fruit and vegetables.

Fruits and vegetables harvested from the Garden are pictured at top; The Garden in beautiful shape after Youth Day 2013.

Now we need your help again to grow produce for our neighbors who otherwise can't afford fresh vegetables. Regular first Saturday workdays will resume on October 3rd, 9 a.m. to noon, but now at our plot at Amy's Farm, 7698 Eucalyptus Avenue, Ontario. Thank you, Amy's Farm, for this wonderful collaboration. You can check out Amy's Farm online at www.amysfarm.com. We hope to see you there!

Hope Partners would also like express our appreciation to Tim Constantine and his sisters for allowing us the use of their property these past four years to provide fresh produce to our less fortunate neighbors. Of course, a very special thank you to Tim for his hard work on this project, and for his willingness to continue that hard work at a Hope Partners' garden on Amy's Farm.

Who We Are ...

Celebrating over 45 years of commitment, Inland Valley Hope Partners serves over 80,000 men, women and children each year through "Our House" family residential shelter; BETA, SOVA, Claremont and San Dimas food pantries; and the Pomona Farmers' Market throughout 13 communities including Chino, Chino Hills, Claremont, Diamond Bar, La Verne, Montclair, Mt. Baldy, Ontario, Pomona, Rancho Cucamonga, San Dimas, Upland, and Walnut. The shelter houses eight families for up to 90 days. The food pantries distribute five days worth of food per person to no and low income families. Clients may come once every 30 days. The Farmers Market operates every Saturday morning and accepts WIC and EBT cards. Begun in 1968 as the Pomona Council of Churches, today the non-profit is a collaboration of faith communities, businesses, community groups, and individuals who care about their neighbors.

Blessings

We, at Inland Valley Hope Partners, are firm believers that things fall into place when the timing is right. This was so evident recently in the events that transpired to allow our beloved Constantine Family Garden to re-locate to property owned by Amy's Farm in Ontario. In fact, it was within days of the sale of the San Dimas property that seemed to signal the end of the Garden that our newest board member, Randy Bekendam, offered his property as the program's new home. We are still blown away by God's perfect timing and provision and could not be more pleased with this new collaboration to support the hungry and homeless families we serve.

We so often see this popular adage bear true in the work we do with our clients as well. Whether it is helping a family secure a stable, permanent residence just days before they are scheduled to exit the *Our House* Shelter Program, or supplying a child with a backpack and school supplies just before that child's mother sacrifices her last few dollars on purchasing them, or providing a family with food just as their cupboards go bare, we are so pleased to be that vessel that steps in JUST IN TIME to provide for our clients' needs.

Blessings,

Wytske G. Visser

Thank You Adopt a Family Volunteers

Thank you to our volunteers for assisting us with our Adopt a Family Program for the past couple of weeks. The volunteers have been helping families with their applications. We are very grateful for your dedication each Monday. Pictured above are volunteers Lane Wilkinson, Jessica Haley, Kathy Mason, Julie Lee and Natalie Velasco. Claudia Camacho, Kim Roxas and Min Li have also been assisting us with the Adopt a Family program.

August Restaurant Fundraiser Is a Success!

On Monday August 24th, Hope Partners had a restaurant Fundraiser at Vince's Spaghetti in Ontario and Rancho Cucamonga. Thanks to your participation, we had our most successful restaurant fundraiser to date, bringing in a total of **\$630.20** in support of our programs to feed the hungry and shelter the homeless.

We would like to thank Vince's Spaghetti in Ontario and Rancho Cucamonga for allowing Hope Partners to have a Restaurant Fundraiser. And, of course, a huge thank you to every one who participated in this great effort.

We plan to build upon this success with more restaurant fundraisers in the future. If you have a particular restaurant that is your favorite, let us know so we can try to schedule one there. Contact Maria Zuleta at 909-622-3806 x104 or MariaZ@inlandvalleyhopepartners.org. We would love to hear your input.

Thank you, Jonathan!

Food Program Manager Isaac Vega and Jonathan pose for a photo with the donated painting.

The Beta Food Pantry has a lovely new addition to its walls—a painting by our own volunteer Jonathan.

Jonathan has been volunteering at Hope Partners with a group from the First Street Gallery Art Center for more than five years.

He really enjoys the interaction he gets to have with our clients at the food pantry as he hands out food. He is a favorite at the pantry, coming in every Wednesday ready to work with a smile on his face.

This painting was featured in a recent show at the First Street Gallery Art Center. His family so generously purchased the piece and donated it in his honor to our Beta site. We are very pleased to display it and hope that, just like the artist who created it, the painting will bring a smile to all who see it.

Beta Backpack Giveaway Blesses Students

We, at Inland Valley Hope Partners, were blown away by the generosity of our donors for this year's School Supply Drive. Your contributions of backpacks, paper, rulers, pencils and other school supplies allowed us to provide more than 250 children in need with the essential school supplies they need to succeed in school this year!

Nearly half the backpacks and supplies were given out at the Beta Backpack Giveaway event on August 7th. Within a few short hours, 112 students received a backpack filled with supplies. It was a great outcome, and the children and their parents were extremely happy to receive these backpacks.

Teresa, a single mother of four, said, "Thank you for giving my kids a backpack! It was getting to the point where I was having to choose between their school supplies and buying food."

Another mother named Maria said, "Giving the children something special like new school supplies means a lot to them and gives them a joy to be going back to school. Thank you so much."

Hope Partners will be continuing to give out backpacks to children at our food pantries. At the moment we have enough supplies but do need more backpacks. We are continuing to accept donations.

For more information, please contact Maria Zuleta at 909-622-3806 x104 or mariaz@inlandvalleyhopepartners.org.

Volunteers Help Re-Launch the Gleaning Hope Program

Joyce Khowdee, Helen Young, and Joe Molamphy of the Gleaning Hope Committee are hard at work re-building the program.

Hope Partners is excited about the re-launch of our Gleaning Hope Program. Chairperson Joyce Khowdee and committee members Joe Molamphy, Helen Young and Tim Constantine have brought new life to the program. They are currently meeting weekly to plan the promotion of the program and recruitment of backyard donors and volunteers. With new refrigeration now available at the Sova and Beta Centers, we can now be more aggressive in harvesting fresh fruit to provide to the hungry in our community.

If you know of anyone who has backyard fruit or vegetables that will go to waste if not picked, please let them know about our program. Anyone with fruit or vegetables that need to be harvested can schedule an appointment by calling the volunteer coordinator at 909-622-3806 x108 or email ronc@inlandvalleyhopepartners.org.

Shelter Success Story

Jamiqua – A single mother with four children, Jamiqua came to the *Our House* Shelter Program after being evicted from her apartment. She had nowhere else to go when she entered our program but has turned things around in the three short months she has been with us. Jamiqua obtained employment through the TSE program and now makes suitable income as an Office Assistant at the City of Pomona. She has also become eligible for the First 5 Housing Program through Union Rescue Mission and will be moving into her new apartment this month.

We are so proud of you, Jamiqua! We wish you the best.

New Walk-In Refrigerator/Freezer Installed at SOVA

Inland Valley Hope Partners has been blessed with a new walk-in refrigerator/freezer at the Sova Center! Pacific Refrigerator installed an 8'x17' walk-in refrigerator and freezer unit. The unit will allow us to store more meats, bread, dairy products, fruits and vegetables donated from local grocery stores and community gardens. Thanks to a grant from the Hedco Foundation as well as generous donations from several individual donors, this unit provides us the ability to keep our fresh produce and other perishables for longer periods of time. This will mean far less waste of food and helps ensure our clients receive a more balanced diet of food. This also frees up a refrigerator and a freezer to move to the Beta Center giving us the capacity to keep more perishables fresh at that location.

We are truly thankful for the donations and the support of our partners in providing food and nourishment to the hungry in our community!

The new unit fully installed and ready for use at our Sova Center.

Claremont McKenna College Students Clean Up SOVA Grounds

Twenty-five Claremont McKenna College students arrived at Sova to volunteer on Saturday, August 29th. They got right to work and their impact was immediately noticeable.

They worked for two and a half hours in the heat to beautify the grounds and prepare food bags to be given to the hungry. The students weeded and spread wood chips across the property that helps maintain our small orchard of citrus and fruit trees. They also bagged hundreds of pounds of candy corn donated by Torn & Glasser.

We are very grateful to the students and the Assistant Dean of Students Amy Bibbens for this wonderful effort.

The students worked hard to beautify Sova's grounds. The impact of their work was immediately evident as shown in the picture to the right.
