

## *Adopt a Family Holiday Program*

Imagine what the holiday season must be like for families who don't even have the basic necessities of food and housing for their children. These parents would like to plan the big family dinner, wrap and share gifts with their children and do all those other special things that make the season so magical, yet they are challenged with needing just the basic items that we so often take for granted.

While we cannot snap our fingers and make everything be the way it should, with your help, we **CAN** make a difference for some of these local families this Christmas.

**We have families that need your help!** Inland Valley Hope Partners' *Adopt a Family Holiday Program* matches families in need with those who can show them that they are not forgotten. The experience of bringing the joy and blessings of the holiday season to one of these families is one that you will remember for a lifetime.
