

## Pomona Certified Farmers' Market

Eating fresh fruits and vegetables is essential to healthy living. Inland Valley Hope Partners sponsors the Pomona Valley Certified Farmers' Market each Saturday to provide a forum for the community to purchase fresh produce from family farmers. The market also operates in conjunction with Cal Fresh, WIC (Women, Infants and Children) and Senior WIC programs. It is located on **Pearl at Garey Ave. in Pomona every Saturday, from 7:30 am – 11:30 am (rain or shine).**

**To volunteer:** Volunteers assist with educational and outreach activities at the market as well as with set up and tear down of the market (includes lifting).
