

Local Children Need Your Help!

The beginning of the new school year is a month away for many local children. With schools starting as early as August 10th, we at Hope Partners would like to get a head start helping low-income families provide their school-aged children with the required school supplies.

You can help! By hosting a school supplies drive, or simply adding a few of these basic back-to-school items to your own shopping list, you can help ensure a local at-risk child starts the school year with the supplies they need to succeed. Some common back to school necessities include:

Pens & #2 Pencils
Spiral Notebooks
Folders with Pockets
3-Ring Binders
Box of Crayons/Colored Pencils
Planners

Calculators
Highlighters
Backpacks
Loose-Leaf Notebook Paper (College Ruled)
Copy Paper
Index Cards

Together, we can make a world of difference for a child in need this school year.

For more information, please contact the development department at Inland Valley Hope Partners.

The items can be dropped off at our Administration office:
