### Who We Are ...

*Celebrating over 50 years of commitment, Inland Valley Hope Partners serves over 75,000 men, women and children each year through "Our House" family residential shelter; and Rapid Re-Housing; BETA, SOVA, Claremont, San Dimas and South Pomona food pantries; and the Pomona Farmers' Market throughout 13 communities including Chino, Chino Hills, Claremont, Diamond Bar, La Verne, Montclair, Mt. Baldy, Ontario, Pomona, Rancho Cucamonga, San Dimas, Upland, and Walnut. The shelter houses five families for up to 90 days. The food pantries distribute five days worth of food per person to no and low income families. Clients may come once every 30 days. The Farmers Market operates every Saturday morning and accepts WIC and EBT cards. Begun in 1968 as the Pomona Council of Churches, today the non-profit is a collaboration of faith communities, businesses, community groups, and individuals who care about their neighbors.*

### Blessings ...

When pressed, nearly anyone who has worked in a non-profit or ministry will tell you that their work is more than just a job, it is a calling. And one of the many joys of our positions is that we aren't just measuring the numbers or the sales, we get to measure *life change*.

Recently, one of our former clients reached out to thank us for the role our agency played in helping her and her family through a rough season of their lives. As a partner in our work, I thought it important to share her testimonial with you:

*I would like to thank Inland Valley Hope Partners for all the help that was given to me during a very challenging time in my life. In 2017, I needed help in more ways than one and didn't really know or understand how to get it. I had 3 young children and was making choices that were devastating my life. Inland Valley Hope Partners helped me with housing and provided other resources to help me with becoming self-sufficient. Some of these resources included budgeting my finances, employment assistance, education preparation, and emotional wellness. I'm so grateful for this help because for a long time, I was truly lost and traumatized from both my childhood and some adulthood experiences. Karen Abram and the other staff had patience with me, walked me through the suppressed pain and helped me to understand how to push forward. It felt so comforting to know that someone cared. It also lightened the load for me to know that I didn't have to worry about where I would stay and if I was going to have enough to pay my rent.*

*I am doing so much better now and consider myself a productive member of society thanks to Inland Valley Hope Partners. I am presently finishing up a master's degree at California Baptist University to be a Marriage & Family Therapist and looking forward to purchasing a home. I'm grateful for the love and support. Thanks again!!*

—TiTwan Sebala

I am so proud of the work our staff and volunteers do every day to help our community members. Stories like TiTwan's are so rewarding and help keep us all motivated on the more challenging days. Thank you to all our partners for the role you play in making these stories possible!

Blessings!
