INDEPENDENT AUDITORS' REPORT

Board of Directors
Inland Valley Council of Churches
dba: Inland Valley Hope Partners
Pomona, California

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Inland Valley Council of Churches dba: Inland Valley Hope Partners (the Organization), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Inland Valley Council of Churches dba: Inland Valley Hope Partners and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Inland Valley Council of Churches
dba: Inland Valley Hope Partners

Report on Summarized Comparative Information

We have previously audited the Organization's 2021 financial statements and expressed an unmodified opinion on those statements in our report dated September 20, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

INLAND VALLEY COUNCIL OF CHURCHES DBA: INLAND VALLEY HOPE PARTNERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Inland Valley Council of Churches dba: Inland Valley Hope Partners (the Organization) was organized in 1968 and is comprised of member churches that work with synagogue, businesses, and community groups to address hunger and homelessness in the community. The Organization provides hunger, shelter, and transitional housing programs for families and individuals in need and seeks to build client self-sufficiency through the following programs:

- Direct food assistance
- Emergency housing
- Advocacy support
- Classes in budgeting, tenant rights, and parenting; drug and alcohol education
- Weekly support groups; counseling

The Organization also sponsors a certified farmer's market to assist local farmers and increase the local low-income residents' access to fresh fruits and vegetables.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the Organization's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Cash and Cash Equivalents

The Organization defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Net assets as of June 30, 2022 subject to donor restrictions are as follows:

Subject to Expenditure for Specified Purpose:

| | |
|--|-------------------|
| David Bloye Charitable Remainder Trust | \$ 217,101 |
| Bank of America | 40,000 |
| Total | <u>\$ 257,101</u> |

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows for the year ended June 30, 2022.

Released by Satisfying the Restricted Purpose:

| | |
|--|-------------------|
| David Boyle Charitable Remainder Trust | \$ 18,121 |
| Rauch Family Foundation | 23,583 |
| Bank of America | 75,000 |
| Total | <u>\$ 116,704</u> |

Grants and Contributions Receivable

Grants and contributions receivable represent amounts due from governmental agencies. Management believes that all receivables are fully collectible, therefore no provisions for uncollectible accounts were recorded.

INLAND VALLEY COUNCIL OF CHURCHES DBA: INLAND VALLEY HOPE PARTNERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Property and Equipment

Property and equipment are stated at cost if purchased or at estimated fair market value if donated. Such donations are recorded as unrestricted unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The Organization capitalizes all expenditures for land, buildings, and equipment in excess of \$1,000.

Comparative Totals

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2022, from which the summarized information was derived.

Contributed Assets and Services

Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

Investments

Investments are recorded at fair value. Both unrealized gains and losses from the fluctuation of market value and realized gains and losses from the sale of investments are reflected in the statement of activities if they are material.

INLAND VALLEY COUNCIL OF CHURCHES DBA: INLAND VALLEY HOPE PARTNERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Revenues are received primarily from contributions and government grants. Contributions restricted by the donor for a specific purpose are deemed to be earned and reported as revenue when the gift is received or pledged. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without restriction. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met

Grants and Contracts

The liability and related expenses for grants and contracts are recorded when incurred. Grant and contract revenues for cost reimbursement awards are recognized to the extent of the eligible expenses incurred.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2022, the Organization has conditional grants of \$737,621 of which \$170,342 is recognized as deferred revenue in the statement of financial position.

Income Taxes

The Organization is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Organization is not required to file informational returns with the Internal Revenue Service because it is organized under religious statute. However, the Organization develops a pro forma informational return annually to satisfy its funder's requirements.

Subsequent Events

The Organization has evaluated subsequent events through December 14, 2022, the date these financial statements were available to be issued.

INLAND VALLEY COUNCIL OF CHURCHES DBA: INLAND VALLEY HOPE PARTNERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Change in Accounting Principle

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, *Not-for-Profit Entities (Topic 958) – Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The update requires that contributed nonfinancial assets are presented separate from contributions of cash and other financial assets in the statement of activities and requires additional qualitative disclosures. The Organization has adopted ASU 2020-07 during the year ended June 30, 2022. There was no material impact on the Organization’s financial position and results of operations upon adoption of this standard.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are comprised the following as of June 30, 2022:

| | |
|-----------------------------------|---------------------|
| Cash and Cash Equivalents | \$ 887,298 |
| Accounts Receivable | 159,101 |
| Operating Investments | 353,389 |
| Less: Board-Designated Net Assets | (9,858) |
| Total | <u>\$ 1,389,930</u> |

As part of liquidity management plan, the Organization invests cash in excess of daily requirements in short-term investments, CDs, and money market funds. Occasionally, the Board designates a portion of any operating surplus to its operating reserve, which was \$9,858 as of June 30, 2022.

NOTE 3 CONCENTRATION OF CREDIT RISK

The Organization places its temporary cash investments with high-credit, quality financial institutions. At times, such investments may be in excess of the Federal Deposits Insurance Corporation insurance limit. The Organization has not incurred losses related to these investments.

INLAND VALLEY COUNCIL OF CHURCHES DBA: INLAND VALLEY HOPE PARTNERS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 4 INVESTMENTS

Investments are stated at fair value as follows:

| | 2022 | |
|------------------------|------------|--|
| | Fair Value | |
| Core Account (Level 1) | \$ 7,248 | |
| Mutual Funds (Level 1) | 63,709 | |
| Equities (Level 1) | 96,203 | |
| Fixed Income (Level 1) | 186,229 | |
| Total | \$ 353,389 | |
| | | |
| | 2021 | |
| | Fair Value | |
| Core Account (Level 1) | \$ 7,880 | |
| Mutual Funds (Level 1) | 59,229 | |
| Equities (Level 1) | 238,882 | |
| Fixed Income (Level 1) | 99,274 | |
| Total | \$ 405,265 | |

Levels 1 through Level 3 have been assigned to the fair value measurement of investments. The fair value level of measurement is determined as follows:

Level 1 – Quoted prices in an active market for identical assets.

Level 2 – Quoted prices for similar assets and market-corroborated inputs.

NOTE 7 PENSION PLAN

The Organization has established a defined contribution pension plan for the benefit of its employees. The plan is contributory and is administered by the Organization. VOYA Financial is the plan custodian. Under the plan an employee may put a pre-tax amount into his/her account. The Organization matches employee contributions by 25% (up to 8% of the employee's annual salary). An employee must have one year of service to receive the employer match. The Organization contributed \$3,975 in matching contributions to the plan in 2022 and \$2,957 in 2021.

NOTE 8 IN-KIND DONATIONS

The Organization receives in-kind rent and utilities for shelter and rooms. The value of such in-kind donations is recorded as contribution revenue and occupancy expense. In addition, the Organization receives in-kind food, supplies, and counseling services. The value of such in-kind donations is recorded as contribution revenue. The value of in-kind rent, utilities, food, and services received for the years ended June 30, 2022 and 2021 was \$265,432 and \$353,893, respectively.

The Organization receives in-kind donations as follows:

- Supplies – Various supplies and goods are received from Shelter Partnerships, Inc. These supplies and goods were utilized in the Organization's food security and housing programs. There were no associated donor restrictions. The Organization estimated the fair value on the basis of estimates of wholesale values that would be received for selling similar products. The value of such items is \$17,024.
- Food – The Organization receives on average some 5,000 pounds of food from the USDA on a weekly basis. The food was utilized in the Organization's food security program. There were no associated donor restrictions. The Organization estimated the fair value on the basis of estimates of wholesale values that would be received for selling similar products. The estimated value of this food is \$217,583.
- Services – The Organization receives professional counseling services. These services were utilized in the Organization's housing program. There were no associated donor restrictions. Contributed services are valued at estimated fair value based on current rates for similar counseling services. The value of these services is \$225.
- Rent – The Organization receives in-kind rent for a portion of its administrative office space and shelter space from First Christian Church. There were no associated donor restrictions. Contributed in-kind rent is valued at the estimated fair value based on current rates per its lease agreement with First Christian Church. The value of this in-kind rent is \$30,600.

NOTE 9 COMMITMENTS AND CONTINGENCIES

Obligations Under Operating Leases

Administrative and Shelter Offices

The Organization leases its administrative office space and shelter office space from First Christian Church for \$5,450 per month on annual basis. Of this amount, an in-kind donation of \$2,550 per month or \$30,600 per year is provided from the First Christian Church. The lease period is from July 1, 2021 through June 30, 2022. The lease has been renewed through June 30, 2023 and the future minimum lease payment is \$65,400.

Contracts

Amounts received or receivable from grantor agencies are subject to audit and review by the grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the Organization. The amount, if any, of expenses which may be disallowed by the grantor is not determinable although the Organization expects such amounts if any, to be immaterial.

NOTE 10 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes which are allocated on the basis of estimates of time and effort. In addition, occupancy, office expenses and technology, insurance, interest and some professional service fees and special events and marketing were allocated using the Organization's simplified allocation method which indicates major program functions benefit from the indirect costs to approximately the same degree and the cost to each program were equitably distributed.
